

"Deep Cleaning Service"

Ceiling-to-floor, wall-to-wall, we detail every inch of tile and grout in the restrooms, kitchens, prep areas, or anywhere that germs are hiding on hard surfaces. A giant improvement beyond "once-over-lightly" practices of the past, Deep Cleaning eliminates the germs and bacteria that cause foul odors. Our highly trained technicians use latest technically advanced equipment to power-blast the dirt from every nook and cranny, leaving your facility sparkling clean and smelling fresh!

If you want your facilities to look new again both inside and out, call AMERICARE before you call a remodeling contractor. Call Jerry Fryer at 800-745-6191 for a quote. We will save you Big Money!

AMERICARE-NATIONAL also provides optional air freshening systems for anywhere in your facility.

We are offering a multitude of inexpensive, long-lasting and aromatic fragrances to please your customers - IMPROVING YOUR ENVIRONMENT FOR A PLEASANT EXPERIENCE.
